I wonder
what it is...

Mello

She is an extrovert.
All the kids like to be
close to understand her
and she is treated as
an idol by everyone.

Karudo-kun.

He is the grandson of the
school's chairman and
candidate for student
council president.

I did try to think
of another kind
of purity for the
comic like the class-
ical high school
student setting
but...

That would
end up turning
into a different type
of story actually.

Em

Mello's
cousin!

A school cursed by the devil.
Because of that, Karudo would be
possessed by a devil every 6PM
after school.

He is popular among students,
as the upcoming student council
president. Suddenly one day,
Karudo approached the most
cherished girl, Mello, and asked her
to become his girlfriend.....?
